Technical urea

.....
APPLICATION:

As a component for AdBlue®;
 for production of plastics, glues,
 and pitches.

.....
PACKAGING AND TRANAPORTATION:

Urea is available in bulk.
 Should be stored under cover

.....
SAFETY:

Easy to handle and store.

.....
 Guaranteed shelf life: 6 months.
 Expiry date: none.

.....
Quality characteristics

Reagent grade

Nitrogen content on dry basis, min.	46.3%
Biuret, max.	0.6%
Free ammonia, max.	0.02%
Moisture content, max.:	
Drying method	0.3%
Fischer assay	0.6%
Granulometric composition:	
Under 1 mm, max.	3%
1-4 mm, min.	94%
2-4 mm, min.	70%
Bulk density	0.70-0.78 g/cm ³
